## PEANUT GROWERS URGED TO USE CARE IN HARVESTING THEIR CROP.

Peanut growers of Coffee county who expect to get the top price for their nuts, are urged to use great care in gathering and picking their peanuts. The gathering season is almost here and Boyd & Murphy, shellers and shippers of peanuts, have issued the following statement which should be of interest to farmers:

In a few weeks you will begin to gather your peanuts. Let us urge you to start in time this season and be careful and give your peanut crop the proper attention so as to get the quality of nuts that will bring the top prices. If peanuts have the proper attention from the time they are dug there is no reason why you should fail to get quality goods. Getting quality goods will be a great help to you when time comes to sell them.

Be sure that they are picked on a good Peanut Picker with good fans to get all the nuts and pop out of the stock this will give you a number one grade that the Peanut Shellers want and are willing to pay top prices for. Remember if you get top prices for your peanuts the Shellers are the ones that will have to handle them, and they will have to have Number One stock to handle. The Shellers are the ones that pay top prices and not Oil Mills for crushing purposes.

All indications this season are for a large tonnage of nuts, so the mills have plenty of stock to operate on probably will be more strict on grades this season than they have in the past. Take care of your Peanuts, then you can sell them at the top prices.

## MR. MAYS LEAVES FOR ST. LOUIS TO BUY FALL GOODS.

Mr. J. C. Mays left Tuesday for an extended trip to St. Louis, Mo. and other points where he goes to buy Fall and Winter goods for Mays Vaughn, Merchants Co. Mrs. Mays and little daughter, Caroline, accompanied him as far as Wynne, Ark., where they will spend two weeks with relatives. The trip to Wynne, was made by auto.

Mr. Mays stated before leaving that he would spend about two weeks at the big wholesale centers, buying his fall goods and when he returns will no doubt have many bargains and a complete line of new and seasonable merchandise to offer their customers in Elba and this section.

Mr. D. H. James and children of West Palm Beach, Fla., are spending a few days in Elba with her mother, Mrs. Ida Rowe and other relatives.

## FIRST BALE OF NEW COTTON SOLD AT ELBA MONDAY AFTERNOON.

The first bale of new cotton was received at Elba Monday, and was sold on the square at public auction, and brought the price of 30.20 per pound. The bale was auctioned by J. W. Tully and was bought by the H. C. Johnson Cotton Co.

The bale was grown by Charlie Holloway on the Arthur Wilkerson plantation. It was ginned at J. L. Morrow & Sons gin and stored at the Morrow Warehouse and weighed 422 pounds.

The first bale last year came in on August 14th, two weeks later than this year. In 1925 the first bale was received on July 25th.

## ELBA BOY SAILS FOR CANAL ZONE ON ARMY TRANSPORT.

Robert J. Neal, son of Mr. Fred Neal, of Elba, who recently enlisted in the Regular Army, sailed last week from Brooklyn army base with 300 soldiers on the U. S. Army Transport S. S. Mabel for the Panama Canal Zone.

Neal who volunteered for duty in Panama and who selected the Coast Artillery branch of the army service will be assigned by Major General William Lassiter, Commander of the Panama Canal Department, to one of the units that guard the canal. He will have the usual opportunity of seeing the greatest engineering feat in history, without cost to himself.

Before sailing today he was a member of the garrison of Fort Slocum, N. Y., an army post on the Long Island Sound, where he received his military training under the supervision of Colonel J. J. Bralley, commander of the post.

The War Department has arranged special tours for soldiers from army transports at San Juan, where the ship docks at that port. Native operating "excursions", which is Porto Rican for motor buses, take soldiers on sight-seeing trips over the crooked mountain roads that were built three hundred years ago by Spanish slaves.

## 600 FARMERS AND VISITORS AT- TEND ANNUAL MEETING OF COFFEE FARM BUREAU.

The largest gathering of farmers under the banner of the farm bureau ever assembled since its organization met at 10 o'clock Friday morning at Calvary Church midway between Enterprise and New Brockton for Coffee County's annual meeting.

After the devotional exercises conducted by Bro. G. F. Horton, Hon. T. T. Brooks, or as he would have it "Bud" gave a most rousing welcome to the visiting farmers and friends from all parts of the county. Mr. R. G. Arnold, District agent and former County agent for Coffee County took for his subject "Cooperation and Leadership." He made a very interesting and inspirational address, stressing the need for more men with a vision of higher and better things for the farmer of the South. Mr. Arnold gave a brief review of the origin of Experiment Station, County Agent work and farm bureau organization and reviewed the progress of the Coffee County Farm Bureau during the year.

Bureau stating that he was very proud of the progress the Coffee County Farm Bureau had made and that he had high hopes of Coffee County leading all other counties in co-operative work in the future because of the fine co-operative spirit among farmer, banker, merchant and county officials.

Following Mr. Arnold, Congressman Steagall made one of his very best speeches and that is saying a lot. He talked along the line of farm legislation and stressed the need of more interest among each individual along that line. He also praised very highly the work of the farm bureau, stating that co-operative effort is the only hope of relief for the present farm problem. After Mr. Steagall's speech the meeting adjourned for the barbecue which was a delight to every one.

After the barbecue the meeting re-assembled in the church at 1:15, at which time the annual address by the President of Coffee County Farm Bureau, Dr. W. C. Braswell electrified his hearers with the forcefulness of his logic and power of conviction which was driven home to his hearers by his earnest appeal to the farmers to stick to their guns and fight the righteous battle against speculation and foreign domination of Southern agriculture which has existed since the Civil War. Dr. Braswell told of the benefits he had derived from farm bureau and said that the benefits he had derived had been sufficient to bridge the chasm between failure on the one hand and success on the other.

Judge J. A. Canley followed Dr. Braswell with what he called a "fill in speech" but he related some very interesting facts as to the resources of Coffee County and the progress she has made in the past few years of her history. Good roads to every community to economically haul his produce to market; the establishment of co-operative activities among the farmers which means better and more profitable farming throughout the county. Judge Canley pledged himself as Judge and Chairman of the Board of County Commissioners to co-operate and help foster any movement started by the farm bureau wherein its members will be benefited.

Next on program was short talks by farm bureau members and visitors. Mr. Shelly Parker from Dale County made some very interesting statements of the benefits he had received by use of dairy vetech. He is a very enthusiastic about vetech and uses it extensively on his farm. G. W. Ray, County Agent of Dale County told of the success of co-operative hog sales held in Dale and that it has meant a lot to the farmers of Dale.

Here the results of the secret ballot for officers of the Farm Bureau were read. The officers elected are W. C. Braswell, President, Ab. Moats V-President, Pete Talbot V-President, J. P. Finley, Secretary, J. B. Martin, J. M. Donaldson, and J. I. Pierce, Directors. After the announcements of the results of the ballot a number of resolutions were adopted by the membership chief of which was an expression of thanks to Calvary community for the use of the church and grounds, and to Charlie Dosier, Carl Brooks, Penn Russ, Clabe Arnold, Bud Brooks and others who gave their labor in preparing the barbecue for the bureau and its guests.

## MR. J. L. McGEHEE, FORMER CIT- IZEN OF ELBA, DIES IN ORLANDO, FLA.

Friends in Elba were deeply grieved last week when a message was received announcing the death of Mr. J. L. McGehee, which occurred at his Orlando, Fla., home. No details were learned, other than his death was sudden.

Mr. McGehee made Elba his home for several years, having been one of the contractors who built the dam across Pea River for the Pea River Power Company. He also paved the sidewalks for the town. He was well known here and had scores of friends who will regret to learn of his passing.

Mr. McGehee is survived by his wife, who was Miss Shelley Symonds, popular Elba girl, and three children, besides other relatives.

## MISS BULLARD ENTERTAINS AT SPEND-THE-DAY PARTY.—

Miss Annie Laurie Bullard entertained the Y. W. A. girls at a spend-the-day party at her home yesterday. The guests began arriving at 10:00 o'clock and a delicious dinner was served at 1 o'clock. At the conclusion of the meal, piano music was furnished by Misses Bullard and Hazel Blair and delightful games were enjoyed by the guests. At the three o'clock hour a special Royal Service program was rendered by the members of the organization. There were 15 guests in attendance, included in this number were four visitors; Misses Bonnie and Margaret Colquitt of Montgomery; Miss Ada Parker of Samson and Miss Nell Harrison of Enterprise.

Mr. Will Canley, representative of Dorsey Brothers, manufacturers of stump pullers and log skidders, returned last week from an extended trip to points in the North and East. Among the places visited were: Washington, New York, Boston, Buffalo and Newark. He reports a most successful business trip and it was also his good fortune to witness the Dempsey-Sharkey fight in New York.

## TYPHOID SHOTS WILL BE GIVEN AT FOLLOWING TIME AND PLACES.

We will be at the following places dates and time stated below for the purpose of giving free Typhoid shots. In 1925 we had 83 cases of Typhoid fever with 10 deaths and in 1926 we had 25 cases with 4 deaths. In 1927, so far, we have had 14 cases and 2 deaths. 3 cases of which are on the Geneva County Line and 2 on the Covington County Line. The great reduction in number of cases and deaths since 1925 has been due to the people in the county taking the Typhoid Shots and the installation of Sanitary Pit Toilets. We would ask that as great a number of people meet us promptly at the designated places and hour stated below.

Monday, August 8.—Tow School at 9 A. M.; Perry's Store at 10 A. M.; Kingston, at 11 A. M. and Basin at 1:30 P. M.

Tuesday, August 9.—Lee's School, at 9 A. M.; J. J. Kendrick's at 2 P. M. and Curtis, 3 P. M.

Wednesday, August 10.—New Hope 9 A. M.; Stinson School, 2 P. M. and Center Ridge 3:30 P. M.

Thursday, August 11.—County Line, (Shiner Store), 9:30 A. M.; Cool Springs, 10:30 A. M.; Sardis, 11:30 A. M. and Enterprise, Enterprise Courthouse, 2 P. M.

Friday, August 12.—New Hope 4:30 A. M. and Victoria, 11 A. M.

## SENATOR LOFLIN SEEKS TO DISORGANIZE COFFEE COUNTY BY PROPOSED LAW

The people of Coffee County should register their unanimous opposition to the proposed local law for Coffee County, notice of which is being now published in the Enterprise Ledger.

This Proposed Bill Provides: 1. To re-organize the Commissioners Districts, cutting off fractional lots into different Commissioners Districts, and numbering the four Districts as follows: N. E. District Number 1; N. W. District Number 2; S. E. District Number 3; and S. W. District Number 4.

2. To extend the terms of Commissioners in the N. E. and N. W. Districts, numbers 1 and 2, namely Commissioners Moore and Kyser, for two more years without an election, making their terms end in 1931.

3. To give to the County Commissioner in his district direct charge and supervision of all road and bridge construction and maintenance, thereby eliminating any voice or supervision by the Justice of the Peace.

4. To pay \$5.00 a day to the County Commissioner for attending his duties and 150 days in the year.

Under the provisions of this proposed bill Commissioners Ward and Davidson will not be continued in office without election in 1928, while Commissioners Moore and Kyser will be continued for two years, and no election of any successor can be had until 1930.

The evident purpose of this legislation is to take out of the road and bridge work of the County the Justice of the Peace, and to give to one man the entire control of road and bridge work in each district.

All the present Commissioners are not supporting this proposed bill, but it is not any secret that some of the Commissioners have been trying to override the Justice of the Peace in road and bridge work and cannot do so under present general laws of the State.

Another evident purpose of the proposed bill is to build up a political machine in the County that will seek to get entire control of the administration of affairs of the County and bring back a saturnalia of graft, waste and inefficiency.

I wish to call upon all good citizens and taxpayers to help defeat this vicious measure.

Respectfully,  
J. A. CARMLEY, Judge of Probate.

NUMBER 8.

## STOCK OF PEA RIVER POWER COMPANY IS SOLD TO C. A. O'NEAL

Troy Messenger says: Probably the biggest business deal ever consummated in Troy was completed here Saturday, when Ex-Gov. Chas. Henderson sold practically his entire interest in the Pea River Power Company to C. A. O'Neal, prominent business executive of Andalusia.

The majority stock purchased by Mr. O'Neal passes into his possession September 1st, the date the transaction becomes effective. The sum involved was not made public.

Gov. Henderson stated to a representative of this paper today that he will retire from active management of the power company. It is not known who will succeed him as president. However, it is thought that the president's office will continue to be located in Troy, nearer the area served by the Pea River Power Co., than Andalusia.

C. A. O'Neal, the new principal stock holder of the Pea River Power Co., is one of the leading business men of Andalusia. He is president of the Andalusia National Bank and associated with the River Falls Paper Company and the Horseshoe Lumber Co., as well as other large business concerns in Covington County.

Mr. O'Neal, a South Alabama native, is served by the Pea River Power Co., and preparations are going forward to serve three others.

Troy, Brundage, Clio, Elba, Samson and Kinston now receive their electrical power from the company and lines are being constructed and other arrangements completed to add Milo, Banks and Arlinton to this list.

## FARMERS' WEEK OF 1927 BIG SUCCESS; 60 COUNTIES ARE REPRESENTED.

Auburn, Ala., August 9.—With people from 60 counties in attendance, the annual summer school for farmers at the College of Agriculture at Auburn, August 1-9, was one of the best on record. The attendance was estimated at 1,000 farm people and agricultural workers.

This was about the same as that of last year which set a new high attendance record for Auburn College summer school. Interest and enthusiasm this year were unusual.

In addition to being a summer school for farm people, the annual convention week for the Alabama Farm Bureau Federation, the Alabama Pecan
